

Warranty

All the Catering equipment supplied by C&C Catering Equipment Ltd at DRKW is covered with a full 12 months parts & labour warranty. In the event of equipment failure please contact our sister company Catering Engineers N.W Ltd as per the service call procedure found in the Operation and Maintenance Manual.

Spares Policy

Due to the 12 months warranty on all the equipment supplied, no spares are needed for the first 12 months. If you have a maintenance contract with us then essential spares will be kept in the event of a breakdown, to decrease the time spent before the item is repaired.
