

Annual Certificate of Conformity

PERIOD COVERED:
1st January 2003 to 31st December 2003

In accordance with the approval of our Quality System by BSI Quality Assurance to ISO 9002:1994, this certificate is deemed to cover purchases of the range of products manufactured by Adsheld Ratcliffe & Co. Ltd. Belper, Derbys. All materials supplied to the company identified above are covered by this certificate.

Each batch produced will be identified by a unique batch number, and unless otherwise stated the materials described herein will be manufactured and tested in accordance with the approved quality system and will conform to the standard product specification appropriate, or to any other agreed specification. Test results will be retained for five years and made available if required. Expiry dates are indicated on the product label or container.

Deviations and requests for concessionary action for parameters outside the specification limits will be notified and agreed prior to delivery.
