Safety

is the new generation of surface treatment setting new standards in cleanliness and hygiene while retaining lifelong colour and performance. Applied to ranges of **Tarassafe Trend**, **Tarassafe Ultra** and **Tarassafe Style**. All Gerflor safety floorings are heavy-duty, slip resistant sheet vinyl with a high PVC content producing an easy clean finish treated with **SANOSOL**® antibacterial and fungicidal treatment. Installation and maintenance are straightforward. **Tarassafe** ranges do not require sealing or polishing, ensuring unimpaired slip resistance and low-maintenance costs.

Tarassafe Standard - 2 mm, 2 m wide
Tarassafe Plus - 2.5 mm, 2 m wide
Tarassafe Ultra - 2 mm, 2 m wide
Tarassafe Style - 2 mm, 2 m wide
Tarassafe Trend - 2 mm, 2 m wide
Tarassafe Super - 2.5 mm, 2 m wide
Tarassafe Select - Gerflor has introduced the world's first fully flexible 2 mm safety tile, 30 x 30 cm.

Static control

Mipolam Technic EL5 - HD flexible 2 mm vinyl tiles, 608 x 608 mm, static conductive.

Mipolam Robust EL7 - HD flexible 2 mm vinyl sheet (2 m wide) and tiles (608 x 608 mm), anti-static.

Design

Creation - high vinyl tiles in wood, stone and design effects.

Creation accessories - borders and inlay features for maximum design scope.

Acoustic

Taralay Comfort is a multi-layered vinyl floorcovering with excellent acoustic properties, available in plain and non-directional colourways. The calendared wear layer is treated with **Protecso**®, a UV cured, anti-glazing treatment which facilitates ease of maintenance. All layers incorporate **SANOSOL**® antibacterial and fungicidal treatment.

Foam backed acoustic vinyl sheet, 1.5 m wide.

Taralay Comfort Uni - 3.4 mm
