

APPENDIX 5.2

RECOMMENDED SPARES

Generally, details of spare parts and consumable items are given in the relevant equipment publication collated into Part 6 of this manual, and it is to this source that the reader's attention is directed.

Additional to the spares information given in Part 6, the following spare items should be held available:-

Number Off	Equipment Item
12	Sprinkler heads 15mm type "A" 68EC conventional
12	Reliable ZX1 White Sprinklers
1	Sprinkler key

See section 7 for sprinkler pump spares
